D. Staffing

◆ SECTION B: Assertion – Reason (A/R)

Directions:

Choose the correct option:

A. Both A and R are true and R is the correct explanation of A

B. Both A and R are true but R is not the correct explanation of A

C. A is true but R is false

D. A is false but R is true

21.

Assertion (A): Management is a continuous process.
Reason (R): All managerial functions are performed simultaneously.

22.

Assertion (A): Effectiveness and efficiency are equally important in management.
Reason (R): High efficiency without effectiveness is undesirable.

23.

Assertion (A): Management is all pervasive.
Reason (R): The nature of management practices differs due to culture and tradition.

24.

Assertion (A): Management is a group activity.
Reason (R): Organisational goals can be achieved through individual effort alone.

25.

Assertion (A): Management is a dynamic function.
Reason (R): Organisations must adapt to changes in the external environment.

26.

Assertion (A): Management is an art.
Reason (R): It requires personalised application of knowledge and creativity.

27.

Assertion (A): Management is a science.
Reason (R): Its principles are universally applicable without modification.

28.

Assertion (A): Entry into the management profession is restricted.
Reason (R): A manager must possess a specific degree by law.

29.

Assertion (A): Coordination is the essence of management.
Reason (R): It synchronises the activities of different departments.

30.

Assertion (A): Coordination is a separate function of management.
Reason (R): It is implicit in all managerial functions.

🔹 SECTION C: CBQs (Case-Based Questions – CUET Style)

Case 1
